Bookings

Bookings will be definitive upon confirmation from the Camping Le Garrit, confirmation which will be delivered within 8 days of receiving the signed contract and the deposit. The tenant should keep a copy of the contract.

This contract is nominative and, unless otherwise agreed by the Camping Le Garrit, cannot benefit or be transferred to a third party. Any breach of contract may lead to the canceling of the booking and the loss of the amount paid by the tenant.

The tenant is responsible for any and all damages to the property for which he is responsible. He must have civil liability insurance.

Duration of stay

The tenant signs this contract for a determined duration of stay and may not under any circumstances overstay the specified stay period unless otherwise authorized by the Camping Le Garrit.

What we offer

The choice of the camping spot or of the rental is made by the Camping Le Garrit, taking into account the client's preferences.

The deposit and remaining amount may be paid by bank check, debit or credit card, cash or chèque vacances (mailed with acknowledgement of receipt).

The camping spot can host a maximum of 5 people; pricing and options can be found on page 3. The camping spot fees offer access to the showers, restrooms and other sanitary infrastructure, reception, pool, playing areas and common room (during opening hours). The deposit is 50€, and the full amount must be paid the day before departure.

Clients may arrive at their designated camping spots starting from noon of their arrival day and must leave before noon on their departure day.

We offer several rentals that can accommodate between 2–6 people (mobile homes, houses, rooms). The descriptions of these rentals are available on our website. Each rental can host a specific maximum number of people that cannot be exceeded. The initial price includes two people, one vehicle, water and electricity. The rental periods and the options are outlined on page 4 of this document.

The deposit for rentals corresponds to 25% of the total amount due, and the total amount must be paid 30 days before arrival. The Camping Le Garrit will not follow up on the payment of the total amount; the responsibility rests with the prospective tenant.

Upon confirmation of the booking, the Camping Le Garrit will send an inventory of the furniture & objects present in the rental. Should the tenant find any anomaly during his stay, he must inform the reception personnel. Upon arrival, the client and the Camping Le Garrit will check the cleanliness of the rental. **Cleaning, during the stay and before departure, will be done by the tenant.** The tenant may, for a fee, request the pre-departure cleaning to be done by the Camping Le Garrit.

Pets are tolerated in some rentals for an additional daily cost of 3€ but will under no circumstances be allowed to lay on the beds, sofas or couches.

The rentals are available starting 4pm on the arrival date and must be vacated before 10am on the departure date.

Security deposit

For all rentals, a security deposit of 150€ will have to be made by the tenant. Upon departure and after inspection of the cleanliness and tidiness of the rental, the security deposit will be returned to the tenant, less any costs incurred in repairing damages and/or cleaning the rental (unless the tenant chose the pre-departure cleaning option).

Should the tenant leave earlier than the departure date specified on the contract, the final inspection may not be carried out upon the tenant's departure. In this case, the security deposit will be returned to the tenant within 8 days of departure. Should there be any necessary repairs or cleaning (unless the pre-departure cleaning option is chosen), the tenant will be notified, and the costs will be deducted from the security deposit.

Cancellations, late arrival, early departure

Any cancellation must be made known to the Camping Le Garrit by email or mail with acknowledgement of receipt. Should the Camping Le Garrit cancel, it will reimburse the deposit and offer a compensation at least equal to what the client/tenant would have borne. Should the client/tenant cancel, he will be responsible for paying the fare in full, unless he notifies the Camping Le Garrit of the cancellation by mail with acknowledgement of receipt.

Canceling a rental: If the cancellation occurs more than 30 days before the arrival date, the Camping Le Garrit will keep the deposit. If it occurs 30 days or less before the arrival date, or if the client does not show up for the stay, the Camping Le Garrit will keep all sums already paid by the client.

Canceling a camping spot: The Camping Le Garrit will keep the deposit regardless of when the canceling occurs.

Late arrivals or early departures compared to the contracted length of stay will not be subject to reimbursement by the Camping Le Garrit.

Swimming Pool

The swimming pool is common to all campsite clients, is fenced and is not monitored. As such, **underage children must be monitored by their parents.** The pool is reserved for campsite clients and may not be used by visitors. Using a boat, canoe, kayak etc. in the pool is forbidden. Pets are not allowed in the pool area. The Camping Le Garrit is not liable for the use or misuse of the pool by the clients, who will therefore use the pool at their own risk and responsibility. In no case will the Camping Le Garrit or its owners be liable for any accident incurred by the client who signed this contract, the client's children and family, as well as any third party who used the pool with the client, unless the Camping Le Garrit is found to have breached its duties to maintain and clean the pool.

Campsite policies

All campsite clients must follow the campsite policies. The policies will be attached to the rental contract and must be read and accepted by the tenant/client.

Mediation and dispute resolution

As per article L 1612-1 of the French "Code de la consommation" concerning the mediation process, Patrick Becheau and the Camping Le Garrit offer to interested clients the possibility to resort to mediation to settle possible disputes between the two parties, through the "droit de la consommation" mediator MEDICYS.
